SUBJECT: Report on Survey of Government Property Procedures

25X1A

Contract No. AF33 (600) 36373

TO: Contracting Officer

REF: Document No. 22309

1. We have performed a survey of selected property records, procedures, and controls maintained by the contractor in connection with Government property arising out of the above contract administered by you.
2. Results of Examination: Based on our survey, the procedures followed by the contractor in its Government property activities are considered adequate to protect the interests of the Government.
3. Discussion of Survey Findings: The results of our survey were discussed with the contractor's administrative representative, Mr. Edwin Robbins.
4. It is suggested that an information copy of this report be furnished to the contractor.
